Subject: Weekly Update 28: Vaccination Notifications and Phase 5 Planning
Date: Thursday, February 25, 2021 10:47:21 AM

Colleagues:

Just a few items to pass along today:

Vaccination Notifications

For any staff who have received the 1st dose of the COVID-19 vaccine, some invitations from CUPHD may be ending up in spam/junk email folders. You may want to check your spam/junk folder at the email you gave when you signed up for the first dose to check.

Notifications about vaccine eligibility or appointment reminders may be sent via emails, calls or texts from CUPHD, the university or your healthcare provider. Please regularly check your phone and university email for these important notifications. Not responding in a timely manner could mean you will not be vaccinated at this time. If you are awaiting a confirmation email from CUPHD, please be sure to check your junk/spam folder.

Phase 5 Planning

Unit heads will be receiving surveys soon. Survey results will help us assess options and develop plans for Library services once the state reaches Restore Illinois [Phase 5](#).

If you have any questions, please reach out to either one of us!

Best,

HEATHER MURPHY

Chief Communications Officer
