University of Illinois at Urbana – Champaign Library Policy
Compliance with State Library Act

Four copies of all campus publications reproduced in quantities of 100 or more for
general distribution must be submitted to the State Library and University Archives as
indicated below.

All Campus departments whether having publications duplicated or printed comply with
“The State Library Act” as amended in 1972. This Act requires that three (3) copies of all
publications be sent to the Illinois State Library "within two weeks of their distribution."
A fourth copy is needed for the University Archives.

Responsibility for transmitting Urbana-Champaign Campus publications to the State
Library is assigned to the Director of Publications and Marketing.

The Law defines "publications" as "any document, report, directory, bibliography, rule,
regulation, newsletter, pamphlet, brochure, periodical, or other printed material paid for
in whole or in part by funds appropriated by the General Assembly or issued at the
request of a state agency, excepting however, correspondence, inter-office memoranda,
and confidential publications."

Since this is a very broad definition, a more specific definition of "publication" for the
University of Illinois at Urbana-Champaign has been developed. For this campus,
"publication" is defined as one which is reproduced by any means in one hundred or
more copies and is for general distribution (to others outside of the individual
department). This does not include any internal working documents or restricted research
documents, regardless of the quantity printed. A publication falls under the law, whether
-priced or non-priced, and whether paid for in whole or in part from state appropriated
funds.

The procedures for submission of all publications subject to the State Library Act are as
follows:

1. Any publication which is printed at the Urbana-Champaign Campus Office of
   Printing Services will be sent automatically to the State Library. No action on the part
   of the originating department is required.

2. Four (4) copies of all other publications, as defined above, which are prepared or
   sponsored by any academic or administrative unit should be sent to:

       Director of Publications and Marketing
       807 South Wright, Suite 520 West
       MC-315
       CAMPUS MAIL

       Publications should be sent immediately upon their release. Do not wait to send a
       number of publications at one time, since the State Library should receive its three (3)
       copies within two weeks after distribution. The fourth copy will be submitted to the
       University Archives.

3. University of Illinois at Urbana-Champaign publications will be transmitted to the
   Documents Unit of the Illinois State Library.
