Workers’ Compensation Frequently Asked Questions (FAQs)

Q: What is a work related injury/illness?
A: The Illinois Workers’ Compensation Commission defines it as a system of benefits provided by law to employees whose injuries arise out of and in the course and scope of their employment. The amount of benefits paid is limited by law. Not all injuries/illnesses at work are covered by workers’ compensation.

Q: How will I know if my claim is Accepted or Denied?
A: U of I Office of Claims Management makes a compensability decision on each claim as quickly as possible. Depending upon the completeness of the accident reports and the availability of medical information, this is commonly done within 24 hours of report receipt. You will receive written correspondence advising you of the status of your claim as soon as compensability is determined.

Q: Why do I have to complete the First Report of Injury/Illness form in its entirety?
A: Every question that is asked on the Injury/Illness Report is very important information needed to process your claim. Leaving some fields blank or providing vague or conflicting information can delay handling of your claim and payment of benefits. It may also result in your claim being denied.

Q: How do I submit my Injury/Illness Report to the Office of Claims Management?
A: To expedite handling of your claim the signed original Injury/Illness Report signed should be mailed to the Claims Management office or sent via email to WorkComp@uillinois.edu. Effective 1/1/2012 faxed reports will no longer be accepted. Please remember to submit a copy of your Injury/Illness Report to your campus’ safety contact:

Q: Where can I obtain medical evaluation and treatment?
A: The Illinois Worker’s Compensation Act allows you to choose up to 2 doctors on your own. However, if your claim is accepted as covered under Workers’ Compensation and you are seen in one of the Occupational Medicine Departments listed below, all reasonable charges (including referrals) involving the treatment of the on-the-job injury or illness will be paid.
