Agriculture

Dean's Office

Administrative File, 1890-1922

Box 1:

Abbott, A.N., 1913-22

Agriculture College Extension - Appropriations, 1922-23

Nolan & Hieronymus, 1914-18

Rankin, F.H., 1903-21

Agriculture Education (Elementary and Secondary)

Agronomy, Burlison, W.C., 1920-22

Agronomy, Hopkins, C.G., 1911-12

Mainly copies of letters by Hopkins sent to other people concerning statement made before the board of trustees concerning Morrow Plots and agricultural experimentation, recommendation of assistants, remodelling of farm mechanics building, experiments of effect of electricity upon plant growth.

1912-20 Letter from Hopkins explaining his position on administrative decisions, letters of condolence and tribute over Hopkins' death, transfer of the body (he died in Gibraltar), report by Hopkins of laboratory breakage, letters concerning department policy, correspondence from Hopkins regarding the Southern Settlement and Development Organization (Hopkins Director of Agriculture)

Commission on selection of a successor, 1919-20

Letters of appreciation, 1919-22

Phosphate controversy, 1905

Letter from Hopkins concerning possible conflict of interest and publications on soil treatment with phosphates

Agronomy, material from Ralph Allen, 1918-19

Miscellaneous, 1913-20

Newton Experimental field, 1922

Smith, L.H., and others, 1913-20

White, E. A., 1913-15

Alabama Experiment Station, 1921

Allen, Ralph, 1915-22

American, General, 1910-18

Includes correspondence with American Magazine, American Press Association, American Bee Journal, American Association for the Advancement of Science, American Association for Agricultural legislation, American Red Cross

American Association for the Advancement of Science, 1915-17

American Agricultural Association, 1912

American Farm Bureau Federation, Mr. Gray Silver, 1920

1920

American Council on Education, 1919

American Land and Irrigation, 1912

Animal Husbandry, 1921

Animal Pathology, 1920-21
 Coffey, W.C., 1920-21
 Detlefsen, John, 1914-21
 Appointment, 1912-20
 Grindley, H.S., 1920-21
 McIntosh, D.M., 1915
 Miscellaneous, 1915-21
 Mumford, H.W., 1908-12
 Correspondence concerning allocation of funds, review of manuscripts,
 recommendations of promotions and lists of publications
 1912-1914
 Largely letters of transmittal of dissertation, manuscripts, and articles; lists of
 publications, correspondence concerning Professor Hall's leave of absence,
 the procurement of a block of land owned by a Mr. Sullivan
 1914-15
 Correspondence concerning silo construction, assistantships, cattle feeding plant,
 feeding experiments, publication of manuscripts, shipping of livestock
 1915-19
 Correspondence concerning appointment of new faculty members, establishment of
 college of veterinary medicine, forage poisoning experiments, war and food
 production, condition and needs of the different departments
 1920-22
 Correspondence concerning status of departments, movement for a new Dean of
 College of Agriculture, transmittal dissertations, articles and bulletins,
 recommendations of faculty members, congratulation of Mumford for his
 appointment as dean, veterinary courses, budget requirements
 Rusk, H.P., 1921-22
 Simpson, F.M., 1913-14
 Applications, Graham, Robert
 Arkansas Delegation Visit, December 2, 1920
 Armour's Bureau of Agriculture Research and Economics, 1921-22
 Armsby, H.P., 1920-21
 Associated Press, 1920-21
 Association of American Agricultural Colleges and Experiment Stations, Summer Session, 1916-19
 Association of American Agricultural Colleges, 1917
 Association of Land Grant Colleges, 1920
 Automobile Service, 1921-22
