

# EnterpriseWorks: A Guide to Library Resources at UIUC

March 14, 2006

Bill Mischo, Engineering Librarian, 333-7497, w-mischo@uiuc.edu

Katie Newman, Biotechnology Librarian, 265-5386, florador@uiuc.edu

## Who may use the Electronic Resources from the UIUC Library.

Electronic resources at the University are licensed for use by UIUC students, researchers and faculty for educational purposes. If you have a NetID, you may use the Library Resources. Unfortunately, the license for SciFinder is written to allow only on-campus access.

## Where to find the Resources:

### **Main Library Gateway**

<http://www.library.uiuc.edu/>

### **Online Library Catalog**

<http://www.library.uiuc.edu/catalog>

Note: search I-Share to request materials held at libraries across the state.

### **Online Research Resources (ORR)**

<http://www.library.uiuc.edu/orr/>

Go to this site to access databases, journals, and reference resources.

### **Interlibrary Loan**

[https://loanshark.library.uiuc.edu/illbluestem/ild\\_bslogin.pl](https://loanshark.library.uiuc.edu/illbluestem/ild_bslogin.pl)

For those resources we don't own

## Need Help?

Contact Ask a Librarian service for assistance (<http://www.library.uiuc.edu/rex/askus/>) via email, chat, or instant messaging.

Or contact a subject specialist librarian for assistance: <http://www.library.uiuc.edu/people/a-cdepartphone.html>

## Searching the Literature for Technology Information

Basic precept – you'll want to search more than one database!

Multidisciplinary: ..... *Web of Science [Science Citation Index], Scopus (trial), Google Scholar*  
(<http://scholar.google.com>)

Medical: ..... *EmBase; PubMed*

Engineering: ..... *EiVillage's Compendex; CSA Technology Research Database*

Physics, Computers: ... *EiVillage's InSPEC*

Biological: ..... *PubMed, Biological Abstracts*

Agriculture: ..... *CAB Abstracts*

Chemical: ..... *SciFinder Scholar (Chemical Abstracts)* –on-campus, non-commercial use only

Business:..... *ABI/Inform; Business Source Premier.*

Newspapers: ..... *Lexis-Nexis*

## Business databases

The Business & Economics Library (BEL) has many non-bibliographic databases that are only available from within the BEL; see <http://www.library.uiuc.edu/bel/complab.htm#details> For example:

*Compustat Research Insight* -- 20 years annual data. Financial analysis of over 12,000 publicly held companies, groups of companies and 220 industries.

*Datastream* -- data on equities, bonds, derivatives, interest rates, exchange rates, economic time series, and investment trusts and mutual funds.

*Value Line Investments* -- reports on approximately 1700 stocks in over 95 industries.

Illinois Statistical Abstract -- <http://www.igpa.uillinois.edu/abstract/>

## Patent information:

See: <http://www.library.uiuc.edu/biotech/botcenter.htm#patent> for links to the U.S. Patent and Trademark Office, European Patent Office, and more.
