Illinois Commission on Higher Education.  
Committee to Recommend a State Plan  
for Public Higher Education in Illinois.  
Study Director's Papers.

These papers are divided into four main parts: I) general correspondence and papers relative to the establishment and operation of the study; II) general correspondence and papers relative to the plan and operation of the study; III) correspondence and papers of various members of the committee working on the plan; and IV) correspondence and papers of consultants.

The secondary divisions are folder titles. The organization is essentially that of the creating body - with some minor variations.

These papers were acquired from the Institute of Government and Public Affairs where they had been maintained since the study; they were previously identified as "Illinois Board of Higher Education."
