## Class Song.

---

One more song and then we sever,  
One more touch of hands and then  
We must part perhaps forever,  
Tho' we'll hope to meet again;  
Life's great school is now before us,  
Tho' our training here may end;  
May the same kind love be o'er us,  
And may we meet again.  
O, may we meet again!

Sweet the mem'ries that shall linger  
Round this dear familiar place;  
Memories of song and singer,  
Tho'ts which time cannot efface.  
Faithful friends and dear companions,  
All we've loved and known so well;  
Now has come the hour of parting,  
We must bid you all farewell!  
We bid you all farewell!  
We bid you all farewell!
