Miss Marion Sparks,  
1205 Springfield Ave.,  
Urbana, Illinois.

My dear Miss Sparks:

We have received from Miss Barnett, librarian of the department of Agriculture library at Washington a letter stating that the United States Civil Service Commission will hold an examination on March 16-17, 1910, from which to make certifications to fill a vacancy in her library. As the circular states the requirements we judge that you would be able to stand an unusually good chance as a considerable amount of science is necessary. If you will call at our office it will be a pleasure to show you the circular when you can judge for yourself if you should desire to attempt the examination. It will cost you nothing as the local authorities at Champaign will supervise the examination.

Yours very truly,

ASW/ILP

Assistant Director of the Library School
