December 2023

Warm holiday greetings

Dear friends of the ACDC,

As this Illinois prairieland settles in for the winter season, we want to wish you a safe and cheerful holiday season! Thank you for your interest in efforts here at the University of Illinois to identify and share useful research, news, and perspectives for strengthening communications related to agriculture, broadly defined and globally.

The ACDC team appreciates your continued support and is looking forward to helping you with your research needs in the coming year.

An insight on gratitude

We close this December issue of *ACDC News* with an Austrian proverb:

“In gratitude lies great force.”

Happy holidays and fruitful searching
