Dear Miss Hand

My husband wishes
me to write and tell
you that he has looked
at his Uncle Roberts
and Richards "Wile" and
none of your family are
mentioned except Mrs
Wilson of Newborough

Dirby Shire England
^{Scropton}
who was left one
hundred pounds, by
Aunt Richard and
which has been paid
to her long time -

Your Cousin William
Shipston of Scropton (who
died last year) had
the Management of Aunt
Robert, George and
Joseph's affairs, and
had most of their
personal property -

- We have not seen his
will but we hear he
has left the greater
part of his property
to your Cousin Thomas
Shipston's family, his
eldest Son, is William
and I will enclose
your letter to him
and ask him to
let you know if he
can find out that
any money was left
