

Macksville, Kan.

April, 23, 1903,

Dear Aunt Sarah.

We started on Thursday the ninth and got here Friday the tenth. Grandma stood the journey well.

We have not got our house built yet and we are staying at Uncle Rufus.

Uncle Joseph came to see Grandma before we came away and he was as well as usual.

The weather is very dry out here and people have planted their potatoes.

Well I will close for this time as this leaves us all

well and we hope you are the
same.
