2019 Associates Program: Description and Application Guidelines

Program Objectives and Selection Criteria
The goal of the C. Walter and Gerda B. Mortenson Center for International Library Programs is to strengthen international ties among libraries and librarians worldwide. To this end we have designed the Mortenson Associates Program to provide librarians and information specialists with the skills necessary to become leaders and trainers of their colleagues upon their return to their home institutions. To attain this goal, Associates will be selected based on the following criteria:

• Current employment in a library, information center, or archive.
• Commitment to furthering the Mortenson Center’s goal within participant’s own country.
• Willingness and ability to share what is learned while at the Mortenson Center with others in participant’s home country.
• **Participants should be fluent in conversational English and possess a reading knowledge of English. This program is delivered in English.**
• Excellent communication skills.
• Demonstrated commitment of participant’s home institution to supporting sharing activity (training seminars, workshops, etc.).

Funding for Program Participation
Applicants must secure adequate funding to support a stay at the Mortenson Center in order to be accepted into the program. Applicants must provide official confirmation of all funding sources. An estimated budget is provided on the Mortenson Center website: [www.library.illinois.edu/mortenson](http://www.library.illinois.edu/mortenson). Acceptance into the program also depends on whether the applicant meets the selection criteria and the availability of space in the program. After acceptance into the program, a **$200 non-refundable deposit** is required to secure participation in the program.
