- **Nathan W Yarasavage**, Philosophy and Newspaper Library, <nwy@illinois.edu>

Also present:

- **Lisa Hinchliffe**, Administration/Services Office & Undergraduate Library, <ljanicke@uiuc.edu>

Not present:

- **Annie Paprocki**, Education & Social Science Library, <acpaproc@illinois.edu>

Meeting began: 9:00 am

## Charge

User Education Committee Chair Lisa Hinchliffe answered questions group had about charge, relating to implementation. Consensus to keep current charge.

## Minutes

Approved. Will send to Melissa Bowles, Graduate Assistant/Instruction to put up on our Web site. Our Phase 2 group will have a separate and new page from the former Phase 1 GSILNA WG, but each will be linked to the other.

## Literature Review

Allison provided handout of preliminary literature review search for publications on graduate students and information literacy as well as just graduate students. Citations added to our Shared RefWorks directory, which also contains Phase 1's bibliography citations. Created Word document for these titles 2006-2009, and added it as well as the literature review bibliography to the group's G:\GSIL\Bibliography folder. The group felt that this was the next agenda item to work on - reading all the articles from this bibliography. Allison will divide the

citations into blocks and assign block to each member. For consistency a template will be provided with categories of areas to analyze the article; each member can add additional ones as well. February 16 is the deadline. Will work on methodology and study focus after literature review done.

### **Interview questions**

There are two sets of question documents in the G:\GSIL\Questions folder - questions we want the study to answer AND questions to use in study. Members can add to either document as they think of questions for either one.

Meeting ended 10:00 am

**Next meeting:** February 16, 2009

Respectfully submitted,

Melody Allison
