# Aspirations: Your Turn

In what ways do you hope to help users with research data management services 1-5 years from now?

# eResearch Task Force: RDM Survey

## Types of Training (N=27)

# Training and Skills: Your Turn

What types of training for research data management did we not include or represent?

# Why Not?

- Administration
- Retiring
- Not in public services
- Job doesn't involve research data
- Users wouldn't consider coming to them for help with data

# QUESTIONS? SUGGESTIONS?
