For those who would like to assist the Library in maintaining the high-quality customer service our patrons rely on, and are willing to work in a public service point, we are seeking volunteers to staff two locations (Main Circulation and SSHEL).

We will provide training for anyone who wishes to volunteer but who has previously not staffed one of these public service points.

Faculty, Academic Professional, Civil Service, and Graduate Assistants and hourlies, as well as student assistants are eligible, but MUST have approval from their supervisor to volunteer.

Alternatively, if you are working on site and have concerns about working a public service point, please inform your supervisor immediately (supervisors should notify [Skye Arseneau](#)).

Please contact [Cherie' Weible](#) with the following information to volunteer:

- Home Unit
