Colleagues:

Two things to share with you this week: one involving Primo and the other about locker delivery.

In response to feedback from staff and patrons, the former "Additional Information" field in Primo patron requests has changed to read "Is digital or print access preferred? Other info?" This change should make it more obvious to patrons that they have an opportunity to express a preference (which the Library will try to honor when possible).

Also, the last Saturday hours being offered this semester for locker delivery of print materials in the Marshall Gallery of the Main Library is November 14.

Should you have any questions, please reach out to [Mary Laskowski](#).

Best,
