

**What Didn't**

- Virtual was good and bad - but at times felt disjointed and distant especially between meetings - nature of virtual pandemic
- Different levels of expertise and comfort with topic - internal training
- Only one topic addressed for the whole year
- iSchool needs to put some skin in the game if they want to be a
- Sign up to facilitate different topics with a shared reading
- Great speakers - especially Archie and Imara

**Further Understanding of Library Diversity Initiatives**

- Willingness to learn
- Willingness to learn nuances
